Lars Johannesson

A3CERT

Details of the scope and the range of the certificate are defined in the certification decision
Validation of the certificate can be done on www.a3cert.com

CERTIFICATION DECISION

AAA Certification AB (A3CERT) has taken the following decision regarding certification of Power Aviation Sweden AB, Company registration number 556988-7325. Certification has been carried out under national accreditation, granted by the Swedish Board for Accreditation and Conformity Assessment, SWEDAC.

Review of the company's management system has resulted in a decision by AAA Certification AB to grant a certificate of compliance for the company's management

Power Aviation Sweden AB

The management system meets the requirements of

ISO 9001:2015

The management system covers the following scope:

Helicopter support management, distribution and repair of parts, components and related products

Initial locations and companies see attachment with the same date as this decision.

Power Aviation Sweden AB is granted certificate with number: 1836. The Certification is valid until 2027-06-27 provided that the activities continuously satisfy the conditions of the above standards and A3CERT's "Terms of delivery and certification condition"

Recommended time for recertification - at least two months before: 2027-06-27

The company shall inform A3CERT if there are changes that need to be addressed and a new decision must be taken, e.g. there is a change in the company name, registration number, scope, location or issue of standard.

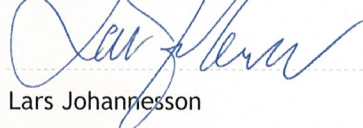

QMS certified since 2018-06-27

The certificate may be withdrawn by AAA Certification AB, if "Terms of delivery and certification conditions" are not fulfilled.

Decisions taken by AAA Certification AB can be appealed to an advisory committee within AAA Certification AB.
